

Shelves

Storage:	Atlantic Oskar Shelves		
Why\Problem Solved:	You have to store and organize your physical media. I like these as they are shallower than a normal book shelf and are purpose built for movie storage. They were easy to build and have held up well.		
Cost:	Varies I last paid \$120 each	Link:	https://www.amazon.com/dp/B0CW47ZSZP
Tips:			

Storage:	Floating Wall Shelves		
Why\Problem Solved:	These go in areas where you can't put a full size wall shelf. Easy to build and hang and they're pretty much bullet proof.		
Cost:	\$109.99 \ 3	Link:	https://www.amazon.com/dp/B0CW47ZSZP
